

## Flight Info for Participants Booking On Own

# MISSION TO RUSSIA

September 10-17, 2017

- Passengers should arrive into St. Petersburg Pulkovo Airport (LED is the airport code).
- Passengers should depart from Moscow Domodedvo Airport (DME is the airport code).
- In Moscow there are two international airports: DME and SVO-Sheremetyevo and they are almost two hours away from each other. For a transfer to the airport, please book departure from DME Airport.
